

17PC adaptor set

Make your tools more flexible and versatile

Ideal for use in and around the car and truck workshops, assembly systems, agriculture and professional home workshops

Premium Quality: High grade Chrome Vanadium steel with proper heat treatment optimizes the strength and life-time of use.

Complete with Sizes: Include 1/4", 3/8", 1/2", 3/4" and 1" drive, 1/4" and 5/16" Hex for efficiency and versatility.

Working Safely: Its self-retardant steel ball ensures safe locking of the socket and prevents accidental slipping during use.

Professionality: Meet standards of ISO 1174, DIN 3120. Perfectly organised with a foam tray and supplied with blow mould case
