

29PC 1/4" DR. SOCKET SET

PAGE 1/2

Reversible Lever Switch

Lever flip design is easy to be switched to reverse ratchet action direction.

8 Degree Action Arc

Rotation with 8 degree (45 teeth gear arc) facilitates work in confined area.

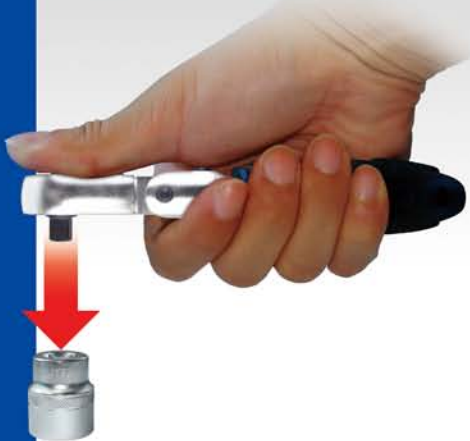

180 Degree Flex Head

180° adjustable angle allows ratchet head to work in every narrow and limited space that a standard one can not work with, and avoids any possible block.

Quick Release

Simply push the release button with one thumb at least effort, users can replace sockets quickly and efficiently.

Great Tool Organization

Easy to organize your ratchets in jobsites! The multi-functional ratchet handles provides the efficient storage.

Customized Logo Label

The logo label on the ratchet handle is replaceable. Giving your customers a big impression of your great tools.

Ergonomic and grip handle provides great anti-sliding power!
 Revolutionary 180 degree flex head design!
