

Working Space Saving UP to 50%!!

# ULTRA COMPACT SOCKET ADAPTOR

■ **Low Profile Design**

minimizes the increase height of tools and offers great abilities to work in tight or confined spaces.

■ **Magnet Retention Device**

keeps the socket attached to the adapter firmly.

■ **CR-MO Steel Made**

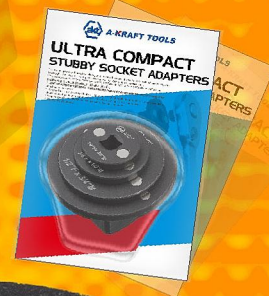

ensures the strength of the adaptors for impact or hand tool use.

■ **Smart storage**

features the four adaptors to be conveniently stacked together easily, minimizing storage requirements.

Height (mm)	1/4"DR. F x 3/8"DR. M	3/8"DR. F x 1/2"DR. M	1/2"DR. F x 3/4"DR. M	3/4"DR. F x 1"DR. M
Compact	14.5	19	28	33
Normal	25.5	38	50	62
★ Difference(%)	-43%	-50%	-44%	-47%
